Dear Grace,

Your decision to enroll in a high deductible health plan (HDHP) with Anthem was a wise one. Now we would like to introduce you to another smart money-saving option — a Health Savings Account (HSA) from ARCUS Financial Bank (ARCUS), a separate company that can be the source for all of your HSA needs.

Did you know that combining an HDHP with an HSA is an excellent way to take greater control of your healthcare expenses and maximize your potential healthcare savings? And as our new banking partner, ARCUS has put together an exclusive offer just for Anthem subscribers.

For Anthem customers who choose to open an HSA with ARCUS Financial Bank, this extraordinary introductory offer is currently available with a promotional rate that is significantly higher than most other HSA custodians:

For six months following your date of enrollment, you are entitled to:

- ▶ **5% Annual Percentage Yield (APY)**
- ▶ **\$0 Monthly Maintenance Fee (a \$16.50 value)**
- ▶ **\$0 Set-up Fee (\$15 value)**

Of course, all deposit accounts with ARCUS Financial Bank are FDIC-insured and have lower set-up and maintenance fees than many other HSA custodians. You can count on ARCUS Financial Bank to provide you with the all the resources, tools and support you need to navigate an ever-changing healthcare landscape and remain in control of your health and financial choices. For more information, please call the customer support center at 866-403-5344 or visit ARCUS online at www.arcusfinancial.com.

Please take a moment to review the enclosed brochure to learn more about the benefits of opening an HSA account and the many reasons to choose ARCUS Financial Bank ... and enroll today!

Sincerely,

John Martie
President and General Manager, Colorado

If your employer currently makes contributions to your account or pays any part of the fees related to your account on your behalf, you should check with your employer first before making a decision to change your HSA custodian.

A Health Savings Account gives you more.

To calculate the annual percentage yield (APY), the promotional 5% interest rate was first converted to an annual percentage rate. The APY listed below includes 5% interest for 6 months on all balances, assumes no withdrawals from the account, and reflects the yield after the promotional period has expired. The waiver of the set up fee (\$15 value) is not included in the APY calculation.

APY%	Minimum average daily balance after the promotional period
2.764%	\$0 – \$1,000.00
3.283%	\$1,000.01 – \$2,500.00
3.543%	\$2,500.01 – \$5,000.00
3.804%	\$5,000.01 – \$15,000.00
4.590%	\$15,000.01 and over

- ▶ APY is accurate as of April 2009 and is subject to change without notice.
- ▶ ARCUS may change the APY and interest rate on the account at any time following the expiration of the promotional period.
- ▶ There is a minimum amount required to open the HSA Base Account of \$15.00. The minimum balances noted above must be maintained in the account each day to obtain the annual percentage yields noted above.
- ▶ ARCUS uses the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day.
- ▶ Interest will accrue daily and be compounded monthly and will be credited to the account on the last day of each month as long as there are funds in the account at month end.
- ▶ If the account is closed before interest is credited, the account will not be credited with the accrued interest.
- ▶ Interest begins to accrue no later than the business day ARCUS receives credit for the deposit of noncash items (for example, checks).
- ▶ Maintenance or activity fees may reduce earnings on the account.
- ▶ A complete Rate and Fee Schedule and the ARCUS Financial Bank® HSA Agreement to Terms & Conditions ("Terms & Conditions") will be enclosed in the Welcome Kit. The HSA can be closed at any time in accordance with the Terms & Conditions.
