Do not rely on this chart alone. This is a brief description of the features of Anthem Blue Cross HMO. Before making a final decision, please read the Plan's Federal brochure RI 73-517. All benefits are subject to the definitions, limitations, and exclusions set forth in the Federal brochure.

ADDITIONAL BENEFIT FEATURES

Speedy Referral

Many medical groups and IPAs now participate in two specialist referral programs that make access to specialists fast and easy:

- Direct Access allows you to self-refer to three type of specialists — allergists, dermatologists and ear, nose and throat (ENT) specialists; the specialists must belong to your medical group
- Speedy Referral allows your Primary Care Physician to immediately refer you to 15 types of specialists within your medical group without a delay for authorization

To verify that your medical group participates in these programs, call Anthem Blue Cross Customer Service at 1-800-235-8631 or your medical group's HMO coordinator.

Vision Care Discounts

The Vision One™ vision care savings program is made available to all enrollees and family members who are Anthem Blue Cross HMO members at no additional premium. You can take advantage of savings of up to 65% on frames and lenses and 70% on any pair of glasses through Vision One. Simply present your Anthem Blue Cross HMO member ID card to receive your discount at any participating Vision One optical center. To find a location near you, please call 1-800-424-1155.

Away From Home Care

If you are traveling out of California and need urgent or follow-up care, please call the toll-free number, 1-800-810-BLUE (2583), on your member ID card. You will receive the names and phone numbers of at least three doctors who are located in your area. Call the Blue Cross Association doctor of your choice and schedule an appointment. When you receive services, you will pay the office visit copay, just as you would if seeing your primary care physician in California. You do not need prior authorization for Urgent Care or follow-up care from your medical group/IPA, primary care physician or Anthem Blue Cross HMO.

Guest Membership offers continued HMO benefits for you and your enrolled dependents (even out-of-state students) when temporarily residing outside California for 90–180 days. Guest Membership offers temporary HMO services from a “host” Blue Cross Association affiliated HMO. To request a Guest Membership, simply call Customer Service at 1-800-827-6422.
