Section I: Introduction to the Summary of Benefits

Thank you for your interest in SmartValue Classic (PFFS). Our plan is offered by Blue Cross of California (Anthem Blue Cross), a Medicare Advantage Private Fee-for-Service organization.

This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call SmartValue Classic (PFFS) and ask for the "Evidence of Coverage."

You Have Choices in Your Health Care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare plan. Another option is a Medicare Advantage Private Fee-for-Service plan, like SmartValue Classic (PFFS). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare program.

You may join or leave a plan only at certain times. Please call SmartValue Classic (PFFS) at the telephone number listed at the end of this introduction or **1-800-MEDICARE (1-800-633-4227)** for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

How Can I Compare My Options?

You can compare SmartValue Classic (PFFS) and the Original Medicare plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare plan covers.

Our members receive all of the benefits that the Original Medicare plan offers. We also offer more benefits, which may change from year to year.

Where Is SmartValue Classic (PFFS) Available?

The service area for this plan includes the following counties:

California: Alameda, Alpine, Amador, Butte, Calaveras, Colusa, Contra Costa, Del Norte, El Dorado, Fresno, Glenn, Humboldt, Imperial, Inyo, Kern, Kings, Lake, Lassen, Los Angeles, Madera, Marin, Mariposa, Mendocino, Merced, Modoc, Mono, Monterey, Napa, Nevada, Orange, Placer, Plumas, Riverside, Sacramento, San Benito, San Bernardino, San Diego, San Francisco, San Joaquin, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Shasta, Sierra, Siskiyou, Solano, Sonoma, Stanislaus, Sutter, Tehama, Trinity, Tulare, Tuolumne, Ventura, Yolo and Yuba counties.

You must live in one of these areas to join the plan.

Who Is Eligible to Join SmartValue Classic (PFFS)?

You can join SmartValue Classic (PFFS) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with end-stage renal disease are generally not eligible to enroll in SmartValue Classic (PFFS) unless they are members of our organization and have been since their dialysis began.

Can I Choose My Doctors?

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital is not required to agree to accept the plan's terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may choose not to provide healthcare services to you, except in emergencies.

What Are My Protections in This Plan?

All Medicare Advantage plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year.

Even if a Medicare Advantage plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must send you a letter at least 60 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of SmartValue Classic (PFFS), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance.

You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered.

If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision.

You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function.

If your doctor makes or supports the expedited request, we must expedite our decision.

Finally, you have the right to file a grievance with us if you have any type of problem with us or one

of our network providers that does not involve coverage for an item or service.

If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state:
