# Section I: Introduction to the Summary of Benefits

Thank you for your interest in SmartValue Plus (PFFS). Our plan is offered by Anthem Insurance Companies, Inc. (Anthem Blue Cross and Blue Shield), a Medicare Advantage Private Fee-for-Service organization.

This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call SmartValue Plus (PFFS) and ask for the "Evidence of Coverage."

## You Have Choices in Your Health Care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare plan. Another option is a Medicare Advantage Private Fee-for-Service plan, like SmartValue Plus (PFFS). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare program.

You may join or leave a plan only at certain times. Please call SmartValue Plus (PFFS) at the telephone number listed at the end of this introduction or **1-800-MEDICARE (1-800-633-4227)** for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

## How Can I Compare My Options?

You can compare SmartValue Plus (PFFS) and the Original Medicare plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare plan covers.

Our members receive all of the benefits that the Original Medicare plan offers. We also offer more benefits, which may change from year to year.

## Where Is SmartValue Plus (PFFS) Available?

The service area for this plan includes the following counties:

**Colorado:** Alamosa, Archuleta, Chaffee, Costilla, Denver, Dolores, Douglas, El Paso, Elbert, Fremont, Gilpin, Gunnison, Hinsdale, Jefferson, Kiowa, Larimer, Las Animas, Lincoln, Mineral, Otero, Park, Phillips, Rio Grande, Routt, Saguache, San Juan, San Miguel, Teller and Weld counties.

**Maine:** Cumberland and York counties.

You must live in one of these areas to join the plan.

## Who Is Eligible to Join SmartValue Plus (PFFS)?

You can join SmartValue Plus (PFFS) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with end-stage renal disease are generally not eligible to enroll in SmartValue Plus (PFFS) unless they are members of our organization and have been since their dialysis began.

## Can I Choose My Doctors?

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital is not required to agree to accept the plan's terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may choose not to provide healthcare services to you, except in emergencies.

## Does My Plan Cover Medicare Part B or Part D Drugs?

SmartValue Plus (PFFS) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

## Where Can I Get My Prescriptions If I Join This Plan?

SmartValue Plus (PFFS) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at [www.anthem.com/medicare](http://www.anthem.com/medicare). Our customer service number is listed at the end of this introduction.

SmartValue Plus (PFFS) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower copay or coinsurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

## What Is a Prescription Drug Formulary?

SmartValue Plus (PFFS) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you, and you can see our complete formulary on our website at [www.anthem.com/medicare](http://www.anthem.com/medicare).

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

## How Can I Get Extra Help With My Prescription Drug Plan Costs?

You may be able to get extra help to pay for your prescription drug premiums and costs. To see if you qualify for getting extra help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Administration at **1-800-772-1213** between 7 a.m. and 7 p.m., Monday through Friday. TTY/TDD users should call 1-800-325-0778; or
- Your State Medicaid Office.

## What Are My Protections in This Plan?

All Medicare Advantage plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year.

Even if a Medicare Advantage plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must send you a letter at least 60 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of SmartValue Plus (PFFS), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance.

You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered.

If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision.

You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision.

Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service.

If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state:

**In Colorado** – Colorado Foundation for Medical Care  
1-303-695-3300

**In Maine** – Northeast Health Care Quality Foundation  
1-800-772-0151

**In Wisconsin** – MetaStar Inc.  
1-800-362-2320

As a member of SmartValue Plus (PFFS) you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance.

You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered.

An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost.

You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug.

If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request.

If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision.

Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.

If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state:
